H&H REEDS.

FROM THE CHAIRMAN

ANDREW JENKINS

A warm Brunton Park welcome to the directors, staff and players from Grimsby Town as they join us today.

Obviously it was interesting at the start of the season when we went to Blundell Park to be met by torrential rain, which seemed to be local to that area. The pitch became unplayable not long after the game kicked off and I don't think it came as a surprise to anyone when the referee signalled that he was abandoning the game.

All of that seems like a long time ago, with a lot of football played and a lot of twists and turns already seen since that day. With 13 games left to go I'm sure there will be a lot more of that to come for every team in the division.

We, of course, find ourselves in a very good position thanks to the hard work done by Paul, his staff and players. That includes the work on recruitment which has seen Paul, along with Greg and the other coaches, put together a group of players who have bought into the club and who are doing everything they can to make it an enjoyable end to the season for us.

Having scored five against Barrow recently it was good to see the same again at Crawley last weekend, where the players were ruthless in their approach to the game from the first minute. It was interesting to hear the manager speak afterwards about the fact that he was disappointed that more goals hadn't been scored. The players themselves commented that they were unhappy that they'd conceded two goals, and that they also felt they could have made it six or seven had they taken the other opportunities created.

This shows the standards that are being set, not just by the coaching staff, but by the dressing room and the very strong characters that are in there. The work done over the first 33 games has given them all an opportunity, and the focus is now on continuing that through the games that remain.

I must mention the young fans who gave up their half-term to come along and spruce up the Warwick by painting barriers and some of the standing areas in that part of the ground. Sonny Kirkwood and his friends showed a fantastic attitude, and they rightly received a lot of plaudits for their efforts.

They are a shining example to others, and I hope we continue to see the Warwick Road End blossom, as the supporters who have started to go there have helped to create some superb noise and a great atmosphere.

I ask again for everyone to keep away from using pyrotechnics, throwing missiles and objects and taking part in chants and shouts that put the club in a bad light, and which can lead to fines and sanctions, as well as bans and possible action from the authorities for those responsible.

Let's help Sonny and the rest of the Warwick Road End group to build on the positivity they have become a very big part of creating by staying away from that type of thing.

Enjoy the game,
Andrew Jenkins

‘LOVE FOOTBALL. PROTECT THE GAME’

A message about anti-social and criminal behaviour

To mark the new season, we want to make you aware of new measures being taken across all of football to ensure everyone can have a safe and enjoyable experience. We are supporting strong action from the FA, Premier League and EFL to tackle anti-social and criminal behaviours that put all of us at risk.

This reflects the seriousness of the risks to fans and staff – pyros can burn at 2000 degrees Celsius and cause lifechanging injuries, while entering the pitch endangers players, managers and match officials.

We know those who commit these illegal acts do not represent the majority of supporters.

FROM THE MANAGER

PAUL SIMPSON

Good afternoon and welcome to our game against Grimsby Town. I also welcome Paul, his staff and players to Brunton Park today.

With their games in hand Grimsby will feel that they are very much part of the chasing pack in what is a very tight division this season. The gap between the play-off places and mid-table is only a run of good results away for so many teams and, as we keep saying, there will be twists and turns as that particular situation sorts itself out in the coming weeks.

The 33 games we have played so far have put us in a good position but, and as I will keep reminding everybody, you don't get anything for where you are at the beginning of March. We have to say well done to everybody for the work that's been done, and we should all enjoy it, but there can be no let-up or relaxation.

We have to keep demanding the highest of standards, in training and on match days, and we have to go into every game knowing that we are there to be shot at. Every team below us wants to be where we are, and they will be fighting tooth and nail to get there.

That's why we have to treat each opponent with respect as we look to do the things that have got us into this position. We can't start to think that things will just happen for us and we can't take anything for granted.

The away win at Crawley brought some really good goals for us. Overall it was a very pleasing performance with chances created in both halves of the game. Again, when we're talking about standards and lessons to be learned, we work a lot in training on transitions and there were occasions where we didn't make the most of the turnovers and good areas we got ourselves in to.

That may seem picky when we scored five, but we have to keep thinking about where we can improve for those occasions, which will come, where we only get one or two really good opportunities to score.

I'd like to finish this week with a word about Sonny Kirkwood and the other fans who came along to paint the Warwick last week. Young people are often on the end of some negative comments these days, but to see these lads give up their half-term and throw themselves into this project in the way they did was fantastic.

It was good for myself, Denno and Morgs to go over and see them and they have rightly received a lot of praise for their efforts. It's all part of the positivity that is around the club at the moment and long may that continue.

Enjoy the game.

Referee: Simon Mather

Attendance: 6,447 (144)

Grimsby Town: Crocombe, Maher, Amos (Kiernan 84), Waterfall (c), Efete, Maguire-Drew, Clifton, Khan, Taylor (Orsi 60), Hunt, Simmonds (Richardson 60). Subs - Glennon, Smith, Green, Holohan.

Goal – Efete (65) Bookings – Simmonds (72)

Carlisle United: Holy, Whelan (c), Huntington, Mellish (Charters 79), Back, Gibson (Harris 70), Guy, Moxon, Armer, Stretton, Dennis. Subs - Kelly (gk), Ellis, Bollado, Carr, Idehen.

Goals – Moxon (7), Dennis (44) Bookings – Guy (67), Armer (69)

United were in Cleethorpes for the second time in the space of a month for their rearranged League Two fixture, with the first attempt having fallen foul of some heavy rain and a 34th minute abandonment.

Carlisle started well with Stretton in a good position on the left flank. He dropped a shoulder and stepped inside, and he calmly rolled it for Moxon to hit. The midfielder became the latest player to register his first goal for the club with a thunderbolt of a 23-yard thump.

United went on the break again after Mellish had slid in to stop a shot, with the crowd screaming for a free kick. The visitors ignored that, and Stretton was sent on a sprint. He used pace to cover the distance, leaving the chasers in his wake, but Crocombe dived to make a two-handed save when the clipped shot came.

Manager Paul Simpson switched to a back four, with Mellish pushed into midfield, as he looked to stifle the threat of a build in home momentum, and it was a tactic that worked, with the Holy nets largely protected.

And it was an overload from the red shirts that nearly paid dividend as Dennis and Gibson used Moxon to edge their way forward. Armer came late in support, and Crocombe had to stretch to fingertip it away from the lurking Kris Dennis.

The corner from Moxon went low to the front stick, and a touch on the lean from Huntington left the defence

flat-footed. Mellish tried to control and shoot but he was judged to have handled as it came his way.

The lead was doubled on the stroke of half-time when Efete lost his bearings as he tried to get a pass back to Crocombe. Kris Dennis was on his toes and he netted his eighth of the season (his tenth for the club in total) as he touched the gift past the keeper before stroking it over the line.

Carlisle worked hard to keep things tight after the break, and it wasn't until the 55th minute that the Mariners had half a sight. Khan spun his marker and volleyed, but it sailed over the bar.

Grimsby threw more men forward, but a poor set piece delivery let some of the pressure out of the valve. But the hosts were right back in it when an initial clearance from a dipping corner left Khan with time. He wasn't closed down, and Michee Efete was able to make amends for his error as he bundled the ball over the line when it rumbled onto his boot.

The lively Richardson forged a run to the edge of the box moments later and he was tripped by Guy on the line of the 'D'. Khan took it on, but it was stopped the wall. A second foul by Armer, this time on the byline, gave Khan the chance to loft it in but Huntington leaped to nod it to safety.

Intelligent game management came into play as the home team found themselves at arm's length, and it was the 144 away contingent who celebrated as they watched their team see their first away win of the season to a successful conclusion.

Here at Carlisle United Community Sports Trust we pride ourselves on giving the best that we can to our community.

We believe that it is so important for children to be able to experience as much as they can while they are growing up, from football to cricket, gymnastics to rounders. This is why we offer high quality PE and extra curriculum programmes to help develop and improve every child's physical, cognitive, social, emotional health and well-being.

One of my main roles on a week to week basis is visiting many different primary schools in and around Carlisle to deliver skilled and enjoyable gymnastics classes.

I work closely with children aged between 4-12 years old from many different backgrounds. By creating fun, progressive sessions which are linked with the National Curriculum help children to achieve and succeed their given and personal goals.

Throughout a six-week block of gymnastics we will work on and develop skills such as; jumping, balancing, rolling, cartwheels, handstands, correct use of a springboard, correct use of gymnastics equipment and linking skills together.

The children will not only work individually but also in pairs or as part of a team to link in the social side of PE which is important to improve their confidence. Some schools will then go onto enter a gymnastics team at local and/or national competitions.

We also offer a Dance and Gymnastics holiday camp that runs alongside our Soccer Camp here in Carlisle. Our next camp is:

Monday 3 April - Wednesday 5 April
 5-11 year olds
 9am-2pm
 Harraby Sports Centre, Edgehill Road.

Hey, how are you doing? We hope you're enjoying the match!

We'd like to introduce ourselves. We are Level Playing Field, the leading charity in England and Wales campaigning and advocating on behalf of disabled sports fans.

Today, your club is using this match day to participate in our new national campaign, 'Unite For Access'. A celebration of disabled fans, accessibility, and inclusion at sports venues.

Did you know that an estimated 22% of the UK population are disabled?

That means it's very likely that you know someone who is disabled, or you might be reading this as someone who is disabled yourself.

Quick question - how did you get to the game today? If you came by train, did you know that 40% of railway stations don't have step-free access? Meaning that if you're a wheelchair user or ambulant disabled, even getting to a match can be a considerable barrier to attending this game.

Talking of barriers, Level Playing Field conducted a survey last year which found that nearly 29% of disabled fans considered the 'Attitudes of others' to be a barrier when attending live sports.

We appreciate that talking about disability can be daunting sometimes, it's a complex subject matter. That's why we invite all supporters, disabled and non-disabled, to engage with your club, Disabled Supporters Association (DSA) if it has one, and ourselves, because it's not just down to disabled people to highlight the importance of access and inclusion at your club...

Good disability access benefits everyone, so let's...

United chairman Andrew Jenkins has added his voice to the growing swell of praise that was directed at a group of young Carlisle fans last week who gave up their own time to come along to Brunton Park to set about sprucing up the iconic Warwick Road End of the stadium.

Jamie Mulholland, Callum Conley, Caden Carrigan, Harry Crook, Kyle Douglas, Sonny Kirkwood, Sam Davidson and Jay Mackay were the chief protagonists, with help from Paintwell, CUOSC, CUSC London Branch, CUSG, our police liaison officer Jonny Sunley, and staff here at the club.

"It's been really good to watch it all unfold on social media and we have to give a huge amount of credit to the group of young fans who decided that they wanted to do this," Andrew said.

"We've seen recently that the Warwick Road End is becoming a really vibrant part of the ground, and these lads are a big part of that.

"To want to do this to what they see as their section really is magnificent, and I know they had a chat with Nigel [Clibbens] about other things they would like to achieve.

"From what I have heard this idea came from them, which is another example of how positive and proactive they've been.

"Fans will see on Saturday that it looks really bright – they've done an excellent job."

"I was talking about it with David Dent, our club president, and it reminded us of those times in the past when staff and players would come down and do everything from painting to fixing fencing and shifting the railway sleepers that used to make up the terracing.

"It's this kind of community spirit that these lads have shown, and I commend them for it.

"I know the manager has spoken very highly of them, and rightly so. There is a positive feel around what Paul and his staff and players are doing at the moment and things like this really do reinforce that.

"Well done from me, on behalf of my board of directors, to all of them."

The Mariners come to Brunton Park this afternoon for the first time in a couple of years so I'll start with a few away team connections.

Their Football League history has much in common with that of The Blues, though it started much earlier, on 3 September 1892. As founder members of Division 2, they beat Northwich Victoria 2-1 at Blundell Park which is actually in the neighbouring town, Cleethorpes, where they had moved 3 years earlier.

While Carlisle had only one season in the First Division, Grimsby enjoyed eleven, spread over 3 spells. They also have the unique distinction of having played in all five divisions. Failing re-election to Division 2 in 1920, they were given the chance to join the newly formed Third Division along with 21 teams from the Southern League! They transferred to Division 3 North when it started the next season. Promoted back to Division 2 in 1926, Grimsby started a long spell in the top two tiers and didn't play Carlisle in the League until we met in Div3N in 1951.

By coincidence **Bill Shankly** had just taken over as Grimsby manager after his two years in charge of Carlisle. Although there were no trophies to show for his tenure at Brunton Park, the charismatic Mr Shankly modernised the club in many ways, making it an important part of the community. Home crowds averaged nearly

12,000 and, for his visit with his Grimsby team, 14114 turned up. They saw Grimsby's Fred Marlow score possibly the fastest ever Brunton Park goal after 10 seconds, his team eventually winning 2-1.

Our two clubs met for the first time on 1st February 1908 for an FA Cup second round tie at Blundell Park, Grimsby winning 6-2. We waited 100 years for a return clash but the Mariners won that too, 1-0 after a 1-1 draw here.

In their heyday they twice reached the semi-final stage, losing to Arsenal in 1936 and Wolves in 1939. This season, a fine run including an impressive win against Championship side Luton has taken them at least to Round 5 when they travelled to Southampton on Wednesday evening. #

Grimsby won the FL Trophy once when they beat Bournemouth in 1998, Carlisle enjoying the first of two wins the previous year. The Mariners were out of the EFL from 2010 to 2016, returning via the play-offs.

We met in League Two for the next five seasons and I remember a miserable Tuesday evening in October 2018 when, along with 3,315 others, I saw 23rd placed Grimsby win with Luke Hendrie's 36th minute goal.

My weekend visit had started with United losing 1-0 to Stevenage here on the previous Saturday, so I saw us drop from fifth to thirteenth. United finished the season in 11th place, while the Mariners steadied the ship to comfortably avoid relegation in 17th place.

Grimsby were relegated to the National League in 2021 but bounced straight back in dramatic fashion. Finishing sixth they navigated their way through the play-offs, winning 3-1 at Notts County, 5-4 at Wrexham and 2-1 v Solihull Moors. They conceded the first goal each time and all three ties went to extra time.

Here's hoping for an exciting, entertaining encounter today. Come on you Blues!

Good afternoon and welcome to today's game against Grimsby Town!

THANK YOU TO OUR SPONSORS

A huge welcome to our match sponsor **Veg Ware**, associate sponsors **Classique Kitchens** and match ball sponsor **Jack Oddie**.

We hope you all have an enjoyable day with us in Foxy's Restaurant.

Look out for them as they take to the pitch for the official photo with the match officials and captain.

KINGMOOR PARK LEGENDS LOUNGE

Today we welcome **Steve Soley** back to Brunton Park where he will join us as our guest in Kingmoor Park Legends Lounge, and Foxy's Restaurant, for a Q&A.

Steve is a Carlisle legend who became our club captain and a person who led by example on and off the pitch. He started his professional career with Pompey and had loan spells at Macclesfield Town and United, before joining us on a permanent basis. After spending three years at Carlisle, he left to join Southport. He also played semi-professional rugby league after retiring.

There are a limited number of executive ticket holders with exclusive use of the private staffed bar and plenty of space to sit and socialise in comfort before kick-off where guests will be able to take their seat alongside other members in the stand above.

ADVERTISING

We have various pitchside advertising boards, digital and sponsorship opportunities available.
